Alteration Policies

- Alterations are only available with the Service & Savings Option.
- Alterations are available through The Bridal Shoppe by independent seamstresses who set their own prices.
- Alterations are always a separate charge. Charges are due once all alterations are completed.
- Dress balance must be paid before alterations are started.
- Dress will be altered to fit at the time of the first fitting. In the case of weight loss or weight gain there will be a separate charge if additional alterations are needed.
- Estimates are available by request for any alterations needed.

Scheduling Fittings

- Once you are notified that your dress is in, please call The Bridal Shoppe to schedule an appointment to try on your dress within two weeks if at all possible
- If you would like to have your dress pinned at that time, please request an appointment with a seamstress
- If you would like to wait to have the dress pinned you will still need to try the dress on within two weeks to check the fit. Alteration appointments must be made no later than two months (sooner if possible) prior to the wedding. If the appointment is made less than two months prior to the wedding late charges may apply.

** Remember to bring shoes, undergarments & crinoline (full slip) for all fittings.

** Please schedule a pick up date after final fitting.

Thank you.
